"There is something magical that happens when drivers connect with athletes. We've never figured out why they connect immediately, and in such a genuine way, but they do; and it's infectious. At the end of the event each year, drivers and volunteers leave exhausted. But before they leave, they always smile and say: "see you next year". I Ride because there is so much love to be felt and shared."

- Heather Blackwell, Truck Ride Board of Directors

"Why should others get involved with the Truck Ride? It is a great event to support the transportation industry supporting Special Olympics. It is always heartwarming to see the end result of the total donations and the amount of fun everyone has in getting to that result."

- Paul Knill, J&R Hall Transport Inc.

PARTNERSHIP WITH THE LAW ENFORCEMENT TORCH RUN & SUPPORT FOR SPECIAL OLYMPICS

Over the past 50+ years, Special Olympics has grown from a modest program serving local athletes to becoming the world's largest movement dedicated to promoting respect, acceptance, inclusion, and human dignity for people with intellectual disabilities (ID) through sports. Special Olympics Ontario has optimized the benefits of a healthy and active lifestyle through sport to improve the well-being of individuals with an ID.

The Law Enforcement Torch Run (LETR) is the largest grass-roots fundraiser and public awareness vehicle with over 90,000 participating Law Enforcement officers across 55 nations. The LETR is proud to partner with Truck Ride to help raise funds and awareness of the abilities, potential and worth of individuals with an intellectual disability.

The trucking industry, Truck Ride and the LETR, has helped make it possible for Special Olympics to reach more communities and more people with an ID across Ontario.

My name is Brad A. I drive for Pride Group Logistics. My wife and I came to the Truck Ride and participated for our first time. We both had a wonderful time meeting so many wonderful people and {Special Olympics} athletes. My athlete's name was Amy, from Simcoe. Fantastic girl!

Audrey and I just wanted to thank you and all the volunteers. My wife was overwhelmed with how smooth the weekend went. We had no clue when we left home on Friday night what to expect. We were more than 100% impressed with how organized ever thing was. I was so overwhelmed with meeting Amy that I actually had tears rolling down my cheek.

Thank you and to Special Olympics for a wonderful time and experience. And for sure we will see you next year! I'm going to bring a couple of drivers along as well. I have had a few drivers at work ask me how things went. My answer to them is it's too overwhelming to tell you about it, ya just gotta be there for the experience. So they are interested already.

Thank you very much for the wonderful weekend!

- Your friends Brad & Audrey
